Dear Mr. Sharkey:

This short note will have to serve as my thank you for your fine keynote address at the Intercollegiate Broadcasting System's Convention last Saturday. It is rare that college broadcasters have an opportunity to hear from professionals in the business, and from all indications everyone who attended thought highly of your experience and your remarks. Incidentally, 12 stations have asked for tape recordings of the address.

I was very happy to have met you personally, and once again let me thank you for helping to make the convention a successful one.

Sincerely yours,

John H. Davison, Chairman
The Yale Broadcasting Company
